

MODULAR PRESS-FITTINGS 90/110

multitubo 

FITTINGS RAPID AND FLEXIBLE ASSEMBLED!

With the modular system you are able to assemble more than 150 connections by using just 15 different parts.

Stainless steel body
Slim with a high performance

Established Press technology

Simple connected with gripper clamps

- **Stainless steel fitting body:** high performance – low weight
- An **economic installation** of large sizes
- **Less overhead work** by modular pre-mounting
- **Highest Flexibility** in each project
- **Pressing on the workbench, installing on site**
- Connection-technology: **Simple and safe**
- **Fully compatible within the system**

PRESSING ON THE WORKBENCH, INSTALLING ON SITE

Convenient pressing on the work-bench.

EASY ASSEMBLING BY GRIPPER CLAMPS

The connection on site can be easily done by using gripper clamps. A warrant for a permanent tight connection.

YOUR ADVANTAGES:

EASY HANDLING:

Weight savings up to 50% compared to metal pipe connections.

Lighter fittings resulting from thinner wall-thickness.

HIGHER SAFETY AT WORK:

Lower material weights increase the safety at work in heights or working over-head.
